

## Castlewellan Youth Club

The vibrant youth club in Castlewellan used a small grant from LGNI to subsidise a whole range of intergenerational activities. The youth club began by joining the monthly meeting of the local seniors club; other activities included a trip to The Ulster Folk and Transport Museum and a trip to the Christmas markets in Belfast. In June the youth group performed some lovely singing and dancing for the older people and everyone joined in the dancing together to celebrate the end of a great year of getting to know one another and breaking down age barriers in Castlewellan.
